## Compliant Date for all switches: Date code 64 (April 2006) or later

## Exemptions for switch part numbers with Gold terminals (G01): None Exemptions for switch part numbers with Silver terminals (W01): Directive 2002/95/EC Annex #8, Cd plating on contacts.

As of the date set forth below, each of the foregoing parts is in compliance with the requirements of the current RoHS Directive 2002/95/EC, including the exemptions currently in effect.

We certify that none of the substances regulated by the current RoHS Directive 2002/95/EC exceed the levels specified in the directive at the homogeneous material level.

I certify that I am authorized to execute this Certificate on behalf of NKK Switches of America, Inc. and that the information contained herein is true and correct to the best of my knowledge, information, and belief.
