<b>G</b>	Blue																																																							
<b>H</b>	Gray																																																							
<p><b>All variations of AT numbers listed here are RoHS Compliant</b></p> <p>AT433      AT4103 AT513M    AT4104</p> <p><b>Compliant Date: Always</b> <b>Exemptions: None</b></p>		<p><b>All variations of AT numbers listed here are RoHS Compliant</b></p> <p>AT507M AT509</p> <p><b>Compliant Date: April 2006 or later</b> <b>Exemptions: None</b></p>																																																						

**Compliant Date: All switches with date code 64 (April 2006) or later**  
**Exemptions for switches: Directive 2002/95/EC Annex #6, Pb in Cu alloy**

As of the date set forth below, each of the foregoing parts is in compliance with the requirements of the current RoHS Directive 2002/95/EC, including the exemptions currently in effect.

We certify that none of the substances regulated by the current RoHS Directive 2002/95/EC exceed the levels specified in the directive at the homogeneous material level.

I certify that I am authorized to execute this Certificate on behalf of NKK Switches of America, Inc. and that the information contained herein is true and correct to the best of my knowledge, information, and belief.
